- Original concept dedicated to the universal theme of transformation
- Author-created illustrations rich in detail and visual impact
- Combines creativity, mindfulness, and well-being in a single product
- Trending theme with broad appeal across major international markets

Hiding in Nature is a sophisticated adult colouring book that celebrates the universal theme of transformation through original illustrations rich in detail and visual appeal. Nature, animals, flowers, and human figures blend together to create surprising compositions in which every element evolves into new and unexpected forms.

The volume offers an immersive creative journey that combines artistic quality, well-being, and mindfulness, delivering an engaging colouring experience with strong international appeal, ideal for the trade market, co-editions, and special sales channels.

Sara Muzio has worked in graphic design and illustration for over 20 years. She graduated in Anatomical Drawing and collaborated with graphic studios and publishing houses, becoming a scientific illustrator for Lumen Edizioni. Today she is one of White Star's most successful artists, having created numerous bestselling colouring books in recent years.
