Magic Mushrooms is a new adult colouring book dedicated to botany enthusiasts and lovers of the magical, mysterious world of fungi. Long associated with mythology and folklore, mushrooms make the perfect subject for a psychedelic and creative journey. This colouring book invites readers to explore a diverse collection of fungal species through intricate illustrations designed to be customised and brought to life with colour. It offers a relaxing, regenerative activity that merges art and nature — ideal for creative minds, mindfulness seekers, and nature lovers alike.

Paola Piacco is a senior graphic designer who has worked at White Star for a long time: specialising in colouring and music titles, she carefully selects from the most creative archives the images with which to build eye-catching and original designs.
