Jurgen Lijcops, author of the bestseller *150 Bars You Need to Visit Before You Die*, selected the 150 wine bars you must visit, from Bordeaux to Cape Town, from Bangkok to Sydney. Some are unique because of their exquisite decor, others for their breathtaking views or their exceptional service. All of them have a unique wine list that will surprise even the most demanding connoisseurs.

Jurgen Lijcops has been working for years as a sommelier and spirits connoisseur at the highly regarded restaurants. He travels the world to constantly update his drink knowledge and knows the most exquisite bars where you can enjoy the best cocktails and spirits in a relaxed way. In 2016 he started Bar Burbure in Antwerp, with the most exquisite cocktails and long drinks. His previous book,*150 Bars You Need to Visit Before You Die* sold over 17,000 copies (and counting).
