- A high-quality, limited edition coffee-table book is sure to attract collectors
- Appeals to a discerning target audience of Porsche and motorsport enthusiasts
- Creates added value for bookstores through exclusive content and high-quality presentation
- **Two-Book Edition**: Includes a photo book and an accompanying text volume, housed together in a presentation box

Stefan Bogner and Heike Hientzsch present a comprehensive look into the world of the Porsche 911 GT1, one of the most remarkable cars in Porsche history. The narrative ranges from early versions to the celebrated overall victory at Le Mans in 1998.

With access to rare archival material and new photographs of all surviving models, the book offers readers a unique aesthetic and informative experience. The exclusive presentation box adds even more prestige to this high-quality book.

This limited-edition work appeals to Porsche connoisseurs and motorsport enthusiasts alike. It celebrates the history of a legendary race car and impresses not only visually, but also with new insights into this iconic vehicle.

– Detailed documentation of the development and success of the Porsche 911 GT1

– Large-format images and exclusive glimpses into the Porsche archives

– A must-have for fans of Porsche and motorsport history

Text in English and German.
