- The power of one pan
- Pascale stays true to her no-nonsense approach in the kitchen; a style that clearly appeals to many
- One-pan dishes perfectly match today's spirit and are exactly the way Pascale loves to cook: minimal effort, maximum flavor - delicious, elegant, and surprising
- ***One Pan***, a new book for those who love to eat but have little time to cook

In this book, award winning cookbook author Pascale Naessens presents 80 brand-new recipes, from breakfast to dinner, featuring a mix of vegan, vegetarian, fish, and meat dishes – as well as desserts. Every dish can be made in one pan. A complete cookbook for anyone who enjoys good food but has little time to cook. Her strength lies in her constant evolution and inexhaustible creativity, without ever losing her signature style: surprisingly simple, wonderfully flavorful combinations, healthy recipes, and great attention to styling and a warm, homely atmosphere.
