- The leading collector's guide to fine mechanical watches for more than 25 years
- Full specifications and photos of more than 1,400 watches from 130 international brands, curated by two of the top experts
- Also includes editorial coverage of the latest watch trends
- This year's edition debuts an updated design with easier-to-read text, as well as QR codes that provide an instant connection to each watch brand

The essential guide for the collector of mechanical wristwatches—now with an improved design for easier browsing.

Wristwatch Annual provides an expertly curated overview of the global watch industry, with complete information on over 1,400 models from 130 international brands, from Swiss mainstays like Rolex and Patek Philippe to the independent producers emerging across the U.S., Europe, and Asia. The book is arranged alphabetically by brand, and the movement, functions, case, band, price, and variations of each pictured watch are fully described.

This year's edition features an updated design with easier-to-read text, as well as QR codes that provide an instant connection to each brand. And, as always, it includes exclusive articles on the most important trends in watchmaking—plus an illustrated glossary and a guide to watch care. Trusted by watch collectors for more than 25 years, ***Wristwatch Annual*** remains a unique resource and a true pleasure to browse.

Peter Braun is editor-in-chief of Germany's renowned wristwatch magazine, *Armbanduhren*. **Marton Radkai**, an independent journalist, has edited the English-language edition of *Wristwatch Annual* since 2011.
