There is possibly no city in the United States as misunderstood as Baltimore, and yet there are few that can match it in majesty. One of the oldest Great Cities of America, Baltimore is profoundly rich in history and culture. But its character is not only derived from its past: Charm City's present and future belong to the thousands of artists and innovators who call it home. Baltimore is full of adventure and surprises. You'll visit the site of one of the most notorious scenes in cinematic history, and a candy shop that birthed a legendary R&B group. You'll hear music performed by future classical music stars, grab a bite at the last old-fashioned Polish smokehouse on the East Coast, and spend a day on a street art scavenger hunt. You will find 111 hidden places in Baltimore, whether it is your first time visiting or your 20th time, and even if you have been here for a lifetime. The city is yours to discover.
