With its picturesque villages and ports, sandy and rocky beaches, and its impressive ancient buildings, Malta offers a wonderful variety of experiences in deceptively small spaces. The main island of the Maltese archipelago, Malta is the economic and administrative hub of the island group. It is known for its crystal clear seas and hours and hours of sunshine. Its 7,000-year history of shifting between East and West has made Malta a very unique nation in the Mediterranean. Whether you are a visitor or a long-term resident, **111 Places in Malta That You Shouldn't Miss** will take you exploring through Malta's historic secrets and little known nooks.

A native of Rome, **Fabrizio Ardito** is a journalist and photographer who writes about travel and nature for the *Touring Club Italiano* and a variety of other publications. He has written numerous books on Italy. Among his personal passions are places hidden underground and other intriguing curiosities of Italy and Malta.
