- 365 riddles & quiz questions for independent learning and family game time
- Easy, fun, and educational
- Comic book style graphics
- Features a dyslexia-friendly font

365 riddles and quiz questions touching upon science, math, history, astronomy, and nature. There are true/false statements, others with answers hidden by secret codes, as well as those structured as real experiments easy to repeat at home! Use these prompts to learn and play with your child, or, to prompt independent learning by doing! Ages 8 +

Paola Misesti is a pedagogist and writer with severa! publications on the topic. Born and raised in Italy, Misesti currently lives in Zurich with her family. **Beatrice Xompero**, is a freelance graphic designer. She has worked on many publications for children in collaboration with severa! international publishing houses. She is also a graduate from the Padua School of Comics.
