- Detailed sketches and plans, creative intentions, eclectic design style, and unrelenting pursuit of refinement and completeness make this book a collection of classic works which is worth having in every designer's study room
- Compared with the first series, *70 Ideas From Global Best Interior Design II* brings a more unique and more individualised cultural design heritage, and shows distinctive design features around the world. It is not only about design, but also a global cultural journey

Gathering representative works from mature and experienced design studios and designers around the world. As the second edition of the *70 Ideas From Global Best Interior Design II* series, this book continues to present a large number of high-quality projects to readers, with diverse cultures and styles. Reading the book, travelling the world, grasping the design trends in Eurasia, North America, South America, Australia, Southeast Asia and experiencing the unique cultural.

This is a beautiful compilation of a hand-picked selection of interior architecture and design projects from around the world. With an attention to the overall character of a space, down to the details that breathe life into the skin of a building or space, it provides its reader with an enjoyable insight into each project.
