Binding	Paperback / softback
Size	250 mm x 180 mm
Pages	80 Pages
Price	£22.00

- Pieter Bruegel the Elder's most famous paintings are brought back to life in this beautifully illustrated book for children

How do you sell Bruegel to children? How can you make them look twice at his paintings? It's like serving them broccoli. Give it to them straight and few will clean their plate. But they're likely to spoon it up, if you mash it with a good story.***A Finger in the Pie*** begins with a bombshell. In Bruegel's painting *The Peasant Wedding*
a plate of pie goes missing from the large tray two men carry around. Nobody knows the perpetrator is a boy who can get into Bruegel's works. His adventures bring the paintings back to life.

A Finger in the Pie
is a beautifully illustrated book with full-page pictures of some of Bruegel's most famous paintings. Children are certain to look at those pictures more than once while reading. Why, they may even want to go to the museum to see the very paintings themselves.
