- Part of the *Anthologie* series
- Andreas Heierle founded his Atelier für Architektur in Lucerne in 2012

Following his studies at the Accademia di Architettura in Mendrisio and various internships, Andreas Heierle founded his Atelier für Architektur in Lucerne in 2012. Since then, he has produced a number of architectural gems, including a small, elegant residential building with three courtyards in Romania and a school in the community of Crissier, Canton of Vaud, which is naturally integrated into the landscape.

Text in English and German.
