Unlike most professional football players, Alex Morgan did not start playing club football until she was 14. But her talent was so obvious that only three years later she was called up to the U.S. women's under-20 team. That was just the beginning of a history-making career that led her, most recently, to a second World Cup title as co-captain of the U.S. women's team. This new edition of ***Alex Morgan*** – revised and updated from cover to cover – follows every step of her journey, not only as a football player but also as a best-selling author, an actor, and so much more!
