<b>Price</b>	£42.00

- Including piano compositions of the Wiener Variationen (Viennese Variations)

The Wiener Variationen (Viennese Variations) comprise 18 piano compositions. Alexander Wiener also describes his pieces as sound-sketches or mental sound-diagrams. They are dated chronologically and reveal spontaneous moods, circumstances and experiments. Alexander Wiener composed the pieces *Wiener Variation 15B* and *Wiener Variation 32B To the Mother Earth* for the ballet *AcroDuo* by Elena Petrichenko and Sergey Chumakov. Each of the compositions is accompanied by video images and hitherto unpublished lighting interventions.

In addition, to accompany the publication, the Alexander Wiener Prize, which encourages musical exploration of Wiener's work, has also been established.

Text in English and German.
