- Celebrating the centenary of Overbeck Society Lübeck, this book is an impressive panorama of the artistic and social achievements of the past 100 years
- Text in English and German

On the occasion of the 100th anniversary of the Overbeck Society, a comprehensive publication has been published presenting the history of the Lübecker Kunstverein (Lübeck Art Association) in the 20th and 21st centuries. Together with the works of the anniversary exhibition, an architectural history study of the Bauhaus Pavilion, which is important for northern Germany and in which the Overbeck Society's exhibitions have been held since 1930, and a complete chronology of its exhibitions and publications, the commemorative publication provides an impressive panorama of societal developments of the past 100 years.
