"There's a new book in town that will help ease your FOMO: An Almanac of New York City for the Year 2022 by Susan Gail Johnson is essentially a Bible of events in NYC listed by the day." —**Shaye Weaver, TimeOut**

This attractive little volume, the first in an annual series, offers a day-by-day guide to the coming year in New York City: cultural events, sports, holidays, historical anniversaries, weather predictions, the night sky, and much more. Each week gets its own spread, with enough space to record your own appointments.

At the front of the book are several special features, including a 2022 horoscope for New York City and an overview of emerging trends in dining, culture, and fashion. At the back of the book is a digest of useful information for each of the five boroughs.

Printed on creamy, high-quality paper with a sewn binding, this almanac is the perfect way to celebrate the reopening of the Big Apple. It will make a delightful gift for residents and visitors alike.
