· A comprehensive guide for the entire region, covering all the main sites you are likely to want to visit

Ancient Sites of Southeast Asia is the first comprehensive guide to the ancient sites and archaeological ruins of Southeast Asia. Designed to assist the adventurous visitor to the region, the book is also an armchair traveller's introduction to over 532 of the most historic and visually engaging monuments across Southeast Asia: Indonesia, Vietnam, Cambodia, Thailand, Laos, Burma (Myanmar) and Malaysia. The result of over 20 years research and site visits by the author, archaeologist and conservator William Chapman, Ancient Sites of Southeast Asia provides a succinct overview of the region's many historic ruins and related sites.

William Chapman is an archaeologist and conservator, specialising in the Southeast Asia area for over 20 years.
