The annual classic, which has been given the lofty title of "the bible of interior design" by the British *Times*, shows the latest design trends in the hottest interior styles. From minimalist Scandinavian to charming Boho, to decadent, bright and colourful, Martin Waller presents not only houses and flats but also restaurants, cafés and office spaces designed by the leading top designers around the world in this lavishly designed illustrated book.

Interior Design Review Vol. 27 is an inspiration for everyone who is passionate about interior design. On more than 500 pages, the beautifully designed coffee-table book presents trends on the subject of furnishing and design in more than 1,000 photographs. Everything is shown that meets the high standards of Martin Waller, founder of the designer brand "Andrew Martin", as an impulse for his own designer brand.

A highlight of the coffee table book this year is once again the presentation of the "Designer of the Year", who Martin Waller selects together with his team and presents in his book.
