<b>Pages</b>	268 Pages
<b>Illustrations</b>	187 b&w
<b>Price</b>	£19.95

- Accessible scholarly treatment of one of the world's most iconic sites

John Burgess masterfully brings to life the modern history of Cambodia's fabled Angkor temples, from their "discovery" by French explorers in the mid-19th century, through to the latter part of the 20th century, when celebrity visitors included a well-publicised one by Jackie Onassis and making Angkor one of the top 3 monuments to visit in the world. An invaluable and riveting book about one of the greatest man-made wonders in the world.

**John Burgess** is a former *Washington Post* foreign correspondent with much experience in Southeast Asia. He writes extensively on Southeast Asia including the best-selling novel *A Woman of Angkor*.
