- Fully illustrated and includes four walking tours of the city, maps, and fun activities!

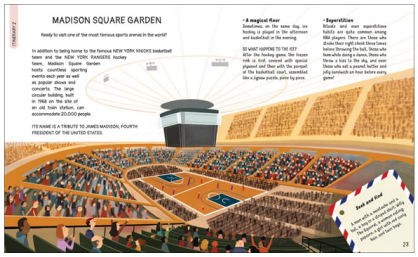

Curiosity is a natural quality for children, which is enhanced when travelling. These little guides are intended just for them, with itineraries around big cities like New York to explore the most iconic places (starting from their rooms). The books feature also little games and activities to be ready for real-life explorations! The big cities won't have secrets anymore. Ages 6 +

**Daniela Celli -** after living in New York for many years, started in 2008 a blog about her family's adventures around the world. She is a criminology graduate, but writing is her main passion! **Laura Re -** born in Rome, she attended the Rome School of Comics. After the Mimaster in Illustration, she is a freelance graphic designer and has worked on many published titles for children.
