- Promotes relaxation and helps children calm down thanks to white noise
- A new perspective in the world of sound books: no longer just animal sounds, but a selection of gentle, relaxing "white" sounds, widely used for newborns and toddlers to help them fall asleep or simply relaxing
- Perfect for bedtime and quiet moments shared with mum and dad, but also in nurseries
- Simple and intuitive: children can activate the sounds on their own
- The book is made of sturdy cardboard and is perfect for little hands

A new title in a series of sound books dedicated to the white noises of nature and the home: the entire series offers children a relaxing sensory experience through listening to white noises that are perfect for promoting relaxation and concentration. These sound books can be used independently by children or shared with parents, grandparents, and teachers.

Ages 3 plus.

**Francesca Sudano** is a director, animator, and illustrator. When she's not drawing, she can be found out in the woods, searching for wild plants, mushrooms, and ideas. She's passionate about funny and surreal stories. That's why her projects often focus on the oddities of nature and bizarre life experiences.
