- These striking notecards feature an extreme, almost abstract close-up of a great artwork on the front, and the entire artwork on the back
- Price does not include VAT

**Audubon's Feathers** features four details from John James Audubon's *Birds of America*, showing the incredible precision with which his engravers translated his drawings to the copper plates.

Each set includes 16 notecards (four different designs) and 17 envelopes, in a presentation-quality box.
