- Architects Anne Marie Wagner and Cédric Bachelard produce extremely high-quality buildings and residential developments
- Fully illustrated with 38 images and 66 plans

In 2006, Anne Marie Wagner and Cédric Bachelard, with their Francophone and Western Swiss roots, founded their office in Basel. Since then, they have produced extremely high-quality buildings and residential developments. The new Mattenhof housing estate in Zurich-Schwamendingen is a particularly impressive example, its basic form consisting of an enormous meandering progression that creates elongated inner courtyards.

Text in English, French and German.
