Food is one of the reasons many tourists visit Thailand each year, not only for its affordability, but because the Kingdom's exotic cuisine offers an unrivalled culinary experience and is internationally famous for its distinctive flavours. The diversity, abundance and quality of ingredients are incomparable with any other country in the world. *Bangkok Street Food* provides you with all the best addresses in Bangkok as well as more than 60 authentic street food recipes. Many of the famous Thai dishes actually originated on a street corner or at a food market and made it to the gastronomic world of food. That's why you can find the soul of Thai food on the streets. This book offers a lot more than the traditional green, yellow and red curry recipes. As you open the volume, you can smell coconut milk, coriander and lemon grass. Besides the appetising recipes, it explains everything you need to know about cooking techniques and products. Otherwise said, *Bangkok Street Food* is not just a culinary feast, but an unrivalled adventure!
