- Barcelona's most beautiful interiors gathered in a stylish and inspiring book
- Carefully selected by Carolina Amell, and written by Gala Mora, a journalist for AD Spain
- Ideal for lovers of interior design, architecture and the city of Barcelona

Interior design in Barcelona, an important Mediterranean metropolis and a city with a rich history, draws influences from many different styles. The interiors featured here — notable for their airy sense of space and tiled floors — are cool in the summer but remain cozy and inviting. This book takes you behind the elegant facades, where timeless charm is created by the use of wood, warm colours and fabrics. **Barcelona Interiors** focuses on the most exclusive and unique homes that represent the authentic Barcelona way of living.

**Carolina Amell** is an experienced book packager, specialising in illustrated nonfiction books, with over 20 published titles. **Gala Mora** is a freelance journalist for AD Spain.
