- More than 25 delicious beerpairing menus
- A unique combination of breweries, their beers and kitchens
- The perfect gift for everyone passionate about beer

*Beerstronomy* brings together the best pub and bar recipes to accompany Belgian beers. The masters of taste are given the floor in this book: brewers talk about their passion for beer, and chefs about their love for food and ale. Each chef presents a menu and recommends a beer that enhances or contrasts with the aromas and flavours of the dish.

**Erik Verdonck** is a partner of The Belgian Beer Company and author of [www.beertourism.com](http://www.beertourism.com), an online platform about Belgium, gastronomy and tourism. He has written several articles and books on beer and gastronomy.
