- Fully illustrated with approximately 70 images and 30 plans

Founded in 2001 by Martin Bez and Thorsten Kock, the 50-strong team at bez+kock architekten is largely commissioned as the result of competitions. Despite the wide range of tasks, the Stuttgart-based office's designs all make an autonomous, locally specific and sustainable contribution to building culture. Their green adventure centre in the Luisenpark was a highlight of the Bundesgartenschau 2023 in Mannheim.

Text in English and German.
