Black is back in this chic **Black Small Bullet Journal**. With its slim size, it conveniently fits into your pocket or purse, making it the perfect companion for capturing ideas and organising your life.

The **Black Small Bullet Journal** boasts dot grid paper, offering you the freedom to create layouts that suit your unique style and needs. Whether you prefer to write, sketch, doodle, or create to-do lists, the dot grid paper ensures your pages are structured while allowing the flexibility to unleash your creativity. Be inspired by the unexpected polka dot pattern in black, gray and white on the front endpaper, which showcases the charm of the risograph photocopy printing technique, a beloved method from the vibrant 1980s.
