- The *Detailed Notes* series: stylish notecards with a striking close-up of a great artwork on the front, and the entire artwork on the back
- Sixteen notecards (four each of four designs) and seventeen envelopes, housed in a presentation-quality box
- Features details of four stunning images of rare flowers by renowned botanical photographer Jonathan M. Singer, author of *Botanica Magnifica* and others
- The third notecard set in the *Detailed Notes* line, after *Audubon's Feathers* and *Mosaics Magnified*

A boxed notecard set featuring stunning photographic close-ups of exotic flowers - the latest addition to the *Detailed Notes* line.

The *Detailed Notes* are luxury notecards that feature a striking close-up of a great artwork on the front, and the entire artwork on the back. Each set is housed in a presentation-quality box.

This set, *Botanica Magnifica*, reproduces details of four colourful images of flowers by the renowned botanical photographer Jonathan M. Singer: a Flaming Parrot tulip, a Jean Marie iris, a red and yellow acanthus, and a bright purple geranium.

Jonathan M. Singer received numerous honors for his botanical photography. Dr. Singer's work has been collected in three books: *Botanica Magnifica*, *Fine Bonsai* and *Spirit Stones: The Ancient Art of the Scholar's Rock*
