- A riveting narrative history
- Sumptuous colour photographs enhance Van Damme's chronicle of Bruges
- Of interest to long-term residents, prospective tourists, and more

Bruges is a city with a fascinating history. Bruges is a city full of people and stories. Bruges is a city like those in the fairy tales…

Historian Paul Van Damme's book is an ode to the city, its inhabitants and its heritage. This history book reads like a page-turner: city views act as backdrops for wondrous events, homes and squares become the decors for true stories.

Paul Van Damme proves that historical accuracy and engaging storytelling can go hand in hand. This accessible, intriguing book is an ideal introduction for those who visit Bruges for the first time. But it is also a great read for those who frequent the city; even lifelong residents will find charming stories and anecdotes they may never have heard before.
