- Part of the *Build Up* board book series
- Detachable cardboard cut-outs of 3D figures of a real space village, including the astronaut, the spaceship and the solar system
- Suitable for ages: 4 to 6

A new title joins the series of large build-up board books, developed for children aged 4 to 6 to teach them about the wonders of the universe using a fun, playful approach. It includes short, simple texts that can be used to create imaginary stories and adventures. Children can detach the wonderful cardboard cut-outs from the page and build the 3D figures of a real space village, including the astronaut, the spaceship and the solar system. Ages: 4 to 6

Ronny Gazzola is a skilled illustrator and has worked with several publishers of the world creating editorial products as well as stand-alone illustrations.
