- This monograph focuses on the creations of an architectural firm led by Olivia de Oliveira from São Paolo, and the Swiss architects Serge Butikofer and Olivier Vernay
- Focuses on the trio's impressive designs for functional community buildings, including residences, schools, and a future urban centre

Olivia de Oliveira from São Paolo, Brazil and the two western Swiss architects Serge Butikofer and Olivier Vernay founded their office in 2005. Their most important, substantial projects include two carefully developed school facilities, impressive residential buildings in the Eco-Quarter in Lausanne and a planned major urban facility for the Cantonal Library in Fribourg. Text in English and German.
