They have been repeatedly recognised, locally and internationally, for their creative contributions to high-rise, commercial and residential architecture, outstanding cultural approach in urban planning and continuous focus on oriental philosophies.

This book is a complete joy to read and you cannot help but feel you are witnessing a type of poetry or artwork as you are mesmerised within its pages.

C.Y. Lee has not only made use of the term 'room for expression' in his designs, but also successfully plays it to the fullest extent to test the waters of 'different expression' like no other architect has ever dared to do.
