Have you ever wondered what your cat would look like if he or she were human? What clothes would they want to wear?

Self-styled cat whisperer, graphic designer, art director, and producer Tein Lucasson has the answer. From simple animal photos, he creates high-quality digital images that capture our feline friends in different outfits: whether an elegant Siamese cat in a cashmere sweater, a proud Persian in an aristocratic uniform, or the characterful house cat in a top hat.

Text in English, German, French and Italian.
