Chanel Illustrated presents a breathtaking selection of illustrations inspired by the iconic fashion house Chanel. The book is authorised by the brand itself. **Chanel Illustrated** combines the creative visions of some of the most respected contemporary illustrators, who work for brands like Hermès, Louis Vuitton, Longchamp, Miu Miu, Ferragamo and of course Chanel. The work of Aurore de la Morinerie, Posuka Demizu, Chloe Takahashi, Anna Blachut, Joanna Layla, Cecilia Carlstedt, Mila Gislou and many others showcases the versatility and timeless appeal of Chanel, from the famous tweed jacket to the iconic perfume bottle.

Chanel Illustrated is the first book in the *Illustrated* series. It's a tribute to the heritage of a brand that has transformed the fashion world and continues to inspire, and that invariably appears in the top 5 of best-selling luxury brands. The book is an artwork in itself, blending fashion, art, and history. It's a true collector's item, for fans and collectors of the brand, but also for fashion professionals and fashionistas, fellow illustrators, and art enthusiasts.
