- **Chasing Light** traces the footsteps of the outstanding and internationally successful graduates of the Faculty of Art and Design at the West University of Timișoara

Over the last 10 years, the Faculty of Art and Design at West University of Timișoara has developed into one of the most important driving forces for culture in Romania. The vibrant arts scene around the campus helped the city establish itself as a hot spot for art and was instrumental in Timișoara being named European City of Culture in 2023.

In 2025, the faculty is celebrating its 35th anniversary. **Chasing Light** traces the footsteps of some of its outstanding and internationally successful graduates—including Olah Gyárfas, Laurian Popa, Dinu Bodiciu, Diana Marincu and Bogdan Rața—and provides fascinating insights into the creative epicentre of this western Romanian city.

Text in English and Romanian.
