- The first work devoted to the wines of Château Rayas

This book is exceptional. It is the first work devoted to the wines of Château Rayas.

Rayas is not a wine like any other. It is a myth, a mystery, a monument of rare purity. Those who have had the chance to taste it know that it is much more than just a grape variety. It is a legend, a mystery, a monument of rare purity. It is the song of the earth that is captured here, through the sand and light, the silence of the forests, the time that this wine carries within it.

Page after page, this book opens the doors to a world that rarely shows itself and therefore remains a legend for many.
