By the fairy hand of Claudia Bordin, an original concept that combines a book and the joy of Christmas: a big format advent calendar book that will accompany the young readers in their countdown to the merriest season of all: for each day, from December 1st to 24th, there is a flap to open, which will reveal an activity, a fun song, a poem, or a delicious Christmas recipe. In addition, a Spotify playlist will be linked to the book for the perfect soundtrack! The merriest countdown of them all: open one flap a day to add a little Christmas magic to every day from 1st to 24th December. Ages 5+

Claudia Bordin taught for five years Art and Image in primary schools, after graduating at the European Institute of Design. Now, she works as an illustrator with some publishing houses and ad agencies and is also involved in custom-made wedding stationery.
