- Part of the well-loved series *Mad for Geography*
- Eight pages of stickers to use in the book!
- Analyses different cities with over 50 pages of activities!

In the *Mad for Geography* activity-book series, apprentice geographers guide young readers as they explore the fundamental themes of geography – with one new edition exploring cities! Join these characters as they analyse different components of the urban environment – from supermarkets to cinemas – in **Cities**.

Over 50 pages of both simple and more complex activities, ensuring that children are engaged without becoming frustrated or bored.  
Ages 6 +

**Paola Misesti** was born in Como, Italy, yet she has lived in Zurich with her family since 2011. She is a pedagogist and has written and co-written many articles on pedagogy. **Agnese Baruzzi** graduated in graphic design and has worked as an illustrator and author since 2001. Her books have been published in various countries with great success.
