- An attractive and easy-to-use third edition featuring more than 900 timepieces including Rolex and Patek Philippe models

Now in its third edition, *Classic Wristwatches* is an attractive and easy-to-use resource for information on vintage watches, that is, watches no longer in current production. For each of the more than 900 timepieces listed, the authors provide a colour photograph; a description of the movement, case, and special features or historical significance; and an estimated value, based on recent auction results. They also forecast whether the value will increase, decrease, or remain the same. The watches are arranged alphabetically by manufacturer; the featured brands include mainstays like Rolex and Patek Philippe, as well as rarities like Record and Enicar.

Michael Ph. Horlbeck is a collector and journalist who writes a collecting column for the German magazine Armbanduhren. Horlbeck is also author of a book on mechanical alarm wristwatches.

Peter Braun is editor-in-chief of Germany's renowned wristwatch magazine, *Armbanduhren*.

Stefan Muser has been the owner of the renowned auction house Dr. Crott in Mannheim, Germany, since 1993. He is regarded as one of the most knowledgeable auctioneers in Europe.
