- This volume studies climate as a design factor and examines its influence on energy and design consequences

This volume studies climate as a design factor and examines its influence on energy and design consequences. Instead of being abstract and technical, the perspective is vivid and spatial, thereby deliberately stimulating the search for inspiring solutions. Also available in the series: *Researching Architecture* ISBN 9783037610237 *Spatial Thinking* ISBN 9783037610558
