Once upon a time closets were merely a place to store clothes. LA Closet Design presents *Closet Design Bible* – a compilation of ultra-high-end closet spaces, spanning multiple countries for more than a decade. As the industry leader in custom closet design, Lisa Adams' clientele includes world-renowned figures in entertainment, professional sports, politics, and business. Complete with boutique display lighting and all the techy extras, these spaces reflect the specific needs of each client, while challenging conventional ideas of the closet. For the first time the details of these very personal sanctuaries are made public. Rich with imagery of carefully appointed spaces this book gives readers an in-depth look at the fully custom features of Lisa's closets. Among these pages are many of the designer's own expert tips, which readers can use to elevate this once overlooked space, and ultimately calm the chaos of everyday life.
