• Presents 10 paintings from the last five dynasties of ancient China (Tang, Song, Yuan, Ming and Qing Dynasties)

The series of Collection of Ancient Calligraphy and Painting Handscrolls: Paintings has a large time span, rich themes and diverse styles. It selects 10 paintings from the last five dynasties of ancient China (Tang, Song, Yuan, Ming and Qing Dynasties), including vivid portraits, exquisite landscape paintings, and meticulous paintings of flowers and birds.

The artworks in this boxed set are presented in the traditional format of a handscroll, which can be extended indefinitely, so that the postscripts and observations of later generations can be directly followed by the end of the works.
