*"Packed with striking images, beautifully reproduced so that the colours leap from the pages, this is a stunning coffee table book that will appeal to anyone passionate about India."* – Outdoor Photography

Hands that tell stories, a sparkle in the eyes, or wrinkles on the face inscribing a whole life lived. In this new book of street photography in India, David Krasnostein captures the experiences and histories of everyday people.

His striking images are prefaced by an introduction describing his photographic practice, as well as the Indian culture, religion, and rituals he has come to know and love.

Text in English and German.
