For more than two decades, Beta-Plus Publishing has specialised in exclusive coffee table books on architecture, interiors and gardens. For the third publication of their Yearbooks (edition 2021), the focus, as last year, is on top quality, traditional craftsmanship and understated class.

The success of the previous edition ensures that we are again publishing in this handy format and with exclusively new projects from renowned architects, interior designers, garden and landscape architects and experienced professionals from all over the world.

In this new book *Contemporary Living Yearbook 2021* the emphasis is on top design, sleek yet warm architecture, interiors and gardens.

The other new book *Timeless Houses & Interiors* appears simultaneously and emphasises classic and more traditional forms, the integration of antique building materials, wood and natural stone, exclusive fabrics and objects, the restoration of homes and farms. Both Yearbooks complement each other perfectly and together offer a special selection of dozens of recently finished villas, country houses, townhouses and apartments.

All participants in this new edition guarantee years of experience, exceptional craftsmanship and creativity tailored to their customers.

Text in English, French, and Dutch.
