The interior architecture and landscaping featured in **Country Style and Design** encompasses a number of looks – from the French country style of Provence to the more floral country designs of England, and from rustic traditional Americana to Australia's distinctive rural style.

**Justin Bishop** is passionate about timeless, traditional design and decoration. His personal design principles echo an age before modern machine technology and mass production and are a reflection of his childhood spent growing up in a historic homestead in Melbourne's Yarra Valley. His passion for traditional design is evident in his interior decorating style, where his training at Melbourne's Swinburne University combines with skills developed over a lifetime of interest in design. Renowned for their sophisticated blend of vintage furniture and classic interior items, Justin's own home and designs have appeared in a variety of leading magazines and publications including 'Australian Country Style', Melbourne's 'The Age newspaper' and the UK's 'House magazine'.
