- A volume on the creative diversity and multifaceted artistic expression of Malene Birger, ideal for art lovers and design enthusiasts
- The book offers exclusive insights into Birger's newly renovated home and studio in Felanitx on Mallorca and combines inspiring design with a deep understanding of the local culture
- Visionary perspectives from the renowned Danish designer invite the reader to find new creative forms of expression

The combination of aesthetically pleasing photographs and personal insights creates a connection between the reader and Malene Birger's creative visions. This inspiring documentary encourages readers to explore their own living spaces and invites them to unleash their imagination in a playful way. At a time when individual design and sustainability are becoming increasingly important, **Creating a New Home on Mallorca** offers contemporary impulses and inspiring ideas for everyday living culture. The work not only functions as an elegant source of inspiration, but also reflects the incessant dialogue between tradition and innovation that is ever-present in Malene Birger's work. The fusion of cultural influences and contemporary design elements makes this book a valuable reference for anyone seeking a harmonious combination of aesthetics and functionality.

Text in English, German and Spanish.

Malene Birger is a celebrated Danish designer known for her monochrome and graphic expressions. After founding the international fashion brands *Day Birger et Mikkelsen* and *By Malene Birger*, she dedicated herself to the design consultancy The World of Malene Birger in 2015. She lives in Felanitx, Mallorca, where her studio and gallery are based. Her artistic repertoire includes paintings, collages, sculptures and more. Birger has published three books, including *Move and Art* (2022), and is considered a visionary who opens up creative paths.
