- A fascinating look inside the minds of 42 creative masterminds, such as Stefan Sagmeister, George Lois, Morag Myerscough and Harry Gruyaert

In ***Creatives for Creativity*** Steve Brouwers (creative director at SBS) interviews 42 makers – painters, photographers, graphic designers, conceptual artists, furniture designers, video artists, advertisers – from all around the world. He asks them about their childhood, their creative process, their inspirations and their most memorable achievements. The question that kicks off every interview – “What is creativity to you?” – results in an inspiring collection of personal conversations that provide an extraordinary insight into the artists’ minds.
