- Atmospheric photos portray the amazing passes of Northern Italy
- A new addition to a highly successful series
- Perfect tips for routes and sightseeing

**Curves: Northern Italy: Lombardy, South Tyrol, Veneto** portrays the most beautiful passes of Northern Italy. Starting at the Timmelsjoch, heading south to Lake Garda, and then east to the Three Peaks in South Tyrol, this book will lead you on a stunning journey through some of Northern Italy's most beautiful roadway landscapes. Among the special highlights are the Gavia Pass, the Monte Baldo high alpine road and the Three Peaks. Stefan Bogner shot the atmospheric photos – some of them from a helicopter – to capture the full magnificence of the landscape. In addition to full-colour photography, **Curves** is also a useful travel guide, offering tips for restaurants and hotels along the route.

Text in English and German.

**Stefan Bogner** is a writer, photographer, the co-founder of the Munich Design Agency fpm - and a passionate Porsche driver. With his stunning photos of curves, hairpins and serpentines, he has captured the magnificence of Alpine passes, island roads, coastal routes and much more.
