- A monograph on the work of artist Daniela Trixl

Reduction as a painterly approach: *Master of Reduction* shows juxtapositions of and relationships between painterly ideas by artist Daniela Trixl. Her work is a fund of abstract pictorial inventions, which can either be found on canvas or paper or for overpainting of a poster or newspaper picture. For Trixl, "reduction" always means the relation to visual reality. With an art historical classification by Katrin Dillkofer.

Text in English and German.
